

## **TRANSIT BUS DRIVER EXAM INFORMATION**

Don't like written tests? Then don't worry! The Transit Bus Driver exam consists of watching two videos, and answering questions pertaining to the scenarios given. This is one test you'll actually enjoy taking!

One of the two videos is a multiple choice exam that measures people skills in a transit setting. The content includes relations with transit customers, supervisors, and co-workers.

The second of the two videos is an animation-based test of driving judgment that simulates multi-tasking environment of operating a transit vehicle.

There is no study guide for this exam. A lot of it is just using your common sense.
