

Rain Barrel Construction for Homeowners Workshop

Tuesday, May 24, 2016

6:00 p.m. - 8:30 p.m.

or on

Wednesday, May 25, 2016

9:00 a.m. - 11:30 a.m.

**Regional Water Resource Agency Shop
2101 Grimes Avenue
Owensboro, Kentucky 42303**

*Also known as the Joseph Murphy Operations Building
on corner of Grimes Avenue and East Parrish Avenue (sign out front).*

Participants will have the choice of making a black or a terra-cotta colored barrel.

As a result of this training you will:

1. Learn how to make a Rain Barrel.
2. Construct a Rain Barrel to take home with you.
3. Learn how to use and manage the Rain Barrel.

Registration fee is \$20 to receive 1 rain barrel to build.

One rain barrel per household

(Make checks payable to RWRA.)

Your check, with class session noted on check, must be either mailed or hand delivered to the Daviess County Cooperative Extension Service Office at 4800A New Hartford Road, Owensboro, KY 42303 to ensure your registration in one of these class sessions or sign up online at:

5/24/16, 6 p.m. workshop: <http://www.eventbrite.com/e/rain-barrel-workshop-tickets-24994681766>

5/25/16, 9 a.m. workshop: <http://www.eventbrite.com/e/rain-barrel-workshop-tickets-25026865027>

Barrels are Limited — Registration deadline is Monday, May 23.

*For more information contact Annette Heisdorffer at 270-685-8480,
or email her at annette.heisdorffer@uky.edu.*
